Erratum. *Chronic Obstr Pulm Dis.* 2025; Published online April 25, 2025. doi: <https://doi.org/10.15326/jcopdf.2024.0582E>

In Volume 12, Issue 2 (March 2025), the article “Clinical Implications of *Pseudomonas Aeruginosa* Colonization in Chronic Obstructive Pulmonary Disease Patients” by Kwok et al contained an error in the Results: Mortality section. The second sentence of this section should have read:

“There was **no** statistical difference in the mortality risks in the 2 groups, with a hazard ratio of 1.06 (95% CI=0.48–2.32, $p=0.89$) for the *Pseudomonas aeruginosa* colonization group.”

The authors regret this error.

This correction has been made to the online and PDF versions of the article: <http://doi.org/10.15326/jcopdf.2024.0582>
